RED CROSS 1922 ROLL CALL

Red Cross and Health and Welfare
League Co-operating In The
New Work

PAY DUES NOW AND HELP

The Executive Committee of the Bourbon County Red Cross Chapter, asks that everyone pay his 1922 dues this week. An effort will be made to reach every adult in the county this week, either by letter or in person, to remind them that now is the time to join or renew membership in the Red Cross.

Headquarters have been established in the new Farm Bureau office on Main street, opposite Frank's store. Call there, pay your dollar and receive your membership certificate. Fifty cents of the dollar goes toward the work of the national organization. Fifty cents stays in Bourbon county. This past year a school nurse was employed by the local chapter, who examined practically all the school children in the county. She discovered many physical defects which she and Mrs. Miner, Health and Welfare League Nurse, working together, were able to get corrected. The Red Cross nurse, Miss Meiner, had to leave the county because a disability received in service so broke down her health that she had to stop work. Another nurse may be secured to go on with this work if sufficient members are secured to finance the plan.

Bourbon county's disabled service men are increasing in number, many who at first seemed entirely well, have developed tuberculosis and other diseases during the past year. Bourbon County Chapter must maintain an office to assist these men adjust their claims against the government. Pay your dues so that Bourbon county may share in the work being done by the Red Cross at home and abroad and especially that the Bourbon County Chapter may not fail to do its duty by the men who are disabled, because they fought for us.

LIGHTNING BOLTS WORK HAVOC DURING STORM

The home of W. T. Caywood, father of County School Superintendent J. B. Caywood, near Paris, was struck by lightning during an electrical storm, resulting in considerable damage to the building. Mr. Caywood and his son, S. W. Caywood, were both sick in bed in the home. The bolt of lightning passed over their heads, both being stunned. Front and rear porch roofs were torn away, weather-boarding torn from one side of the house, and plastering from the walls. A wire clothes line stretched between two trees in the yard was cut into small pieces. The lightning followed telephone wires into the house, tearing the instrument from the wall.

Lightning struck a barn on the farm of Geo. B. White, near Lexington. The barn, with 25,000 pounds of tobacco, and a number of farming implements was destroyed in half an hour after the blaze was discovered. A small amount of insurance was carried on the barn and implements.

Near Midway, lightning struck a barn belonging to Charles Nichols, Jr., destroying it, together with twelve acres of tobacco, an automobile, a horse, and a large quantity of oats and corn. The loss was about \$7,000, with no insurance.

The large tobacco barn owned by Mrs. C. R. Pruitt, on her farm near Mt. Sterling, was struck by lightning and badly damaged. The barn and contents were covered by insurance.

SPECIAL TURKEY DINNER

ON THANKSGIVING DAY THE
HOTEL WINDSOR WILL SERVE A
SPECIAL TURKEY DINNER AT
NOON AND 6 O'CLOCK. MAKE
RESERVATIONS NOW.

GOOD OYSTERS

There are good oysters, but we unquestionably have the best. Let us prove it by a trial order if you are not a regular customer.

BOURBON CIRCUIT COURT

In the Bourbon Circuit Court the case of Stuart & O'Brien against Martin Bros., growing out of rent of a wagon, resulted in a verdict in favor of the defendants. In the case of Wm. H. Whaley and James Ralls against Sweeney Isgrigg a dispute following the sale of a farm of the defendants to the plaintiffs, and also for the accounting of some alleged building material, which they allege he wrongfully hauled away, the jury returned a verdict in favor of the plaintiff to the amount of \$2.90, the value of one window sash.

One of the surest ways of boosting yourself is to give the other fellow a lift.

STATE TOBACCO DISTRICTS NAMED

State Is Divided Into Districts By
Co-operative Marketing Plan's
Committees.

BOURBON MADE ONE DISTRICT

The Burley tobacco district of Kentucky, Ohio and Indiana was divided into twenty-two districts Saturday night by the committee on districting and elections, but the date of the elections was not agreed upon, being left to a later meeting of the committee.

Decision in the matter of the districts came after three days of deliberation, in which an effort was made to harmonize all differences of opinion as to what plan was best in the alignment of the counties. The committee's decision was unanimous, and came after three days of deliberation.

The committee is composed of T. S. Burnam, of Madison county, chairman; Bush W. Allen, of Mercer; Martin L. Harris, of Indiana; Albert Day, of Mason; Joseph Passonneau, organization manager, of Fayette.

The counties of Fayette, Bourbon, Shelby, Mason and Scott are made separate districts. Another district is composed of the counties of Ohio in the Burley belt and still another is composed of the Indiana counties.

The districts are finally agreed upon and announced, are as follows:

District 1, Fayette; 2, Bourbon; 3, Shelby; 4, Mason; 5, Scott; 6, State of Ohio; 7, State of Indiana; 8, Woodford and Franklin; 9, Owen and Carroll; 10, Henry and Trimble; 11, Grant, Gallatin, Boone, Kenton and Campbell; 12, Harrison and Pendleton; 13, Bracken, Robertson and Nicholas; 14, Bath and Montgomery; 15, Fleming, Lewis, Carter and Greenup; 16, Garrard, Lincoln and Casey; 17, Boyd and Mercer; 18, Anderson, Washington, Marion, Taylor and Greene; 19, Jessamine, Madison, Rockcastle, Jackson and Laurel; 20, Spencer, Jefferson, Bullitt and Nelson; 21, Hardin, Hart, Meade, Breckinridge, Grayson, Barren, Cumberland, Metcalfe and Laurel; 22, Clark, Powell, Menifee and Estill.

The Burley Tobacco Growers Co-operative Association, which finished its preliminary work last week by the pooling of more than 180,000,000 pounds of tobacco of the less than 210,000,000 pounds grown in the burley district in 1920, is the largest single co-operative association in the world, with 42,000 members and the probability that it can have between 8,000 and 10,000 more if it decides to permit those who so far have failed to sign up their crops with the association to come into the organization.

Tobacco warehousemen of the Burley District will meet in Lexington to-day (Tuesday), Nov. 22, at 10 o'clock a. m., to confer with the warehouse committee of the Burley Tobacco Growers Co-operative Association in regard to the lease or rental of their property to the association for the handling of the tobacco crop pledged to it.

PLUM PUDDING AND MINCE MEAT FOR THANKSGIVING

Your Thanksgiving dinner will not be complete without a Ferndell Plum Pudding or Ferndell Mince Meat. We have both.

BER COMPANY.

MATCHES AND MICE CAUSE CURIOUS FIRE

To matches and mice or a case of spontaneous combustion, Dr. Wm. K. Dudley ascribes a blaze which destroyed a perfectly good pair of trousers and scorched a door at his home near Hutchinson, Sunday night. Late in the night Mrs. Dudley awakened her husband by telling him she smelled something burning. Upon conducting an investigation Dr. Dudley found a pair of trousers he had left hanging on a nail in a door in the kitchen entirely burned and the door partly consumed. It required an hour's hard work by Dr. and Mrs. Dudley to subdue the flames. Matches left in the pocket of the trousers are supposed to have been gnawed by mice, causing the blaze.

THERE IS JOY IN PARIS

Citizens of South Paris, as well as others in other sections of the city, are rejoicing over completion of the street reconstruction work on High street, and the resumption of service by the interurban and city cars. The "dinky," in charge of Conductor Mortimer John Duvall, is again making its regular schedule, "coming and going," affording a marked convenience to business people, shoppers and school children.

Many a fine pasture has been ruined to make a poor golf course.

PARIS HIGH IS IN A A CLASS

Local Educational Institution Takes
High Rank Among High
Schools of State

TRIBUTE TO PARIS SCHOOL

At a meeting of the Kentucky College Association, held in Lexington, Saturday, the Paris High School was placed in the A A class of Kentucky High Schools.

In October the Paris High School, placed on the honor roll by the Southern Association of Colleges and Universities. This means that graduates of the Paris High School can enter any college or university in America without examination, except the few colleges that do not accept anyone without examination.

Parents who have children in the Paris High School are asked to see that their children study at home at least three hours every day. If your child does not study that much at home every day you can know, before the monthly report is received, that he or she is not doing satisfactory work in school. Never in the history of American education has so much been demanded of the High School, and to meet these demands children must study. Teachers can do little for your child without good and regular home study. In about two months the mid-year examinations will be held in the Paris High School and if your son or daughter is to go on with his or her present class you should look well to his or her home study.

I am very anxious to have the number of children making the honor roll grades increased. Do you know that your child is getting to school on time every morning? Are you sending requests to the school to have your child excused early in the afternoons? I know that these infringements on the school regulations sometimes cannot be helped, but I ask you to co-operate with us to the fullest extent, that we may serve your child best.

Wednesday afternoon the Paris City Schools will dismiss for the Thanksgiving holidays, and will resume work on Monday, November 28.

I am well pleased with the way the parents visit the school this year. If you have not visited the school this year I shall be glad to have you come before December 23. When we close for Christmas we want to be able to say that every parent having a child in the Paris City School has visited the school since the opening in September. Come to the City School, where you are always welcome.

LEE KIRKPATRICK, Supt.

THANKSGIVING SHOOT.

Mr. Alfred Clay, owner of Hill Top Gun Club grounds, has kindly donated the use of his grounds for clay bird target shooting on Thanksgiving afternoon, November 24, so all you trap shooters come out and enjoy a pleasant afternoon. Shells for sale on the grounds.

A. B. PERKINS,
FRED BURGIN,
ROXIE DAVIS,
Committee.

PARIS DEFEATS COVINGTON; CYNTHIANA HIGH TO-MORROW

The Paris High School football eleven fought their way to a brilliant victory on McClintock Field Friday afternoon when they administered a defeat to the Covington High School team by the score of 19 to 14. The teams were evenly matched and fought cleanly and hard. The performance of Paris High in holding Somerset to a scoreless tie and defeating Covington High puts them in the front rank of Kentucky High School teams.

To-morrow, (Wednesday), Paris High will meet the Cynthiana High team in a game on McClintock Field in what promises to be the bitterest football fight ever staged in this section of the Bluegrass. Cynthiana has developed the best team they have had in years, and, although Paris defeated her early in the season, to-morrow's game appears to be anybody's. Cynthiana played the University of Kentucky freshmen team a scoreless tie and any team which can do this has the right to be in first ranks of High School teams. Adams and Nash, of Georgetown, will have charge of the game, and will see that everything is "according to Hoyle."

SAME OLD STORY.

While cranking an automobile at the C. S. Ball garage on Pleasant street yesterday afternoon, Carl Schrote, auto mechanic for the garage, had his right arm broken when the machine "backfired," throwing the crank against his arm with great force. He was taken to a physician's office, where the injured member was set, and he was removed to his home.

OPP. COURT HOUSE.

BURGLARS VISIT FOUR PARIS BUSINESS HOUSES.

Burglars visited the drug store of Geo. S. Varden & Son, and the Ardery Drug Co., and the Farmers Supply Co., on Main street, some time during the night Sunday or early yesterday morning. In each instance they effected entrance through a window in the rear. At Varden's they secured a number of valuable articles from the stock, also several watches, old coins, articles of gold and silver jewelry, razors, etc., collected by Dr. George Varden as souvenirs, which had been kept in a drawer in his private office desk. The store was ransacked from one end to the other, drawers being pulled open, and their contents scattered over the floor. The same obtained at the Ardery Drug Co.'s place. Here the thieves secured \$6.00 in cash, besides the other loot. At the Farmers Supply Co. they secured a lot of valuable goods, but as no statement was given out the loss was not known yesterday.

Although Sunday is ordinarily a day of rest, some burglariously-inclined fellow concluded to improve his opportunity for making a haul while the Sabbath quiet prevailed.

Burglars visited the establishment of C. W. Heck on Pleasant street, sometime between noon and late in the afternoon, gaining an entrance through a rear window, which was broken after an iron bar and screen had been removed. Mr. Heck had obligingly left the safe unlocked. The thief or thieves secured the wrought iron cash drawer from the safe, and took about \$100 worth of War Savings stamps and a number of checks approximately about \$60. The police were notified.

Patrolman George M. Hill yesterday afternoon found the box from the Heck safe on the creek bank in the rear of the Massie Memorial Hospital, with its contents intact. Footprints of a small shoe were found near it, indicating the wearer to have been a boy or woman.

COMMERCIAL CLUB 'STUNT NIGHT'

Big Doings Promised To Rival The
Famous Gridiron Club In
Merriment

ANNUAL MEETING OF CLUB

The Paris Commercial Club Committee, composed of B. J. Santee, John F. Davis, Rudolph Davis and W. E. Hacker, completed arrangements for the second annual meeting of that organization, which will be held in the Y. M. C. A. gymnasium to-night. The opening feature will be a dinner, to be served at 8:30 o'clock. Before and during the dinner musical numbers will be rendered by the Bourbon Orchestra. Community singing will be led by A. L. Boatright, who will also render a vocal solo during the dinner.

Following the dinner a special "stunt" program will be presented, the nature of the "stunts" being held in the strictest secrecy. All members have been duly warned that they will not take offense at anything that may be said about them or anyone else. Short talks will be made by prominent members of the Club, and by Miss Marie Collins, County Chairman of the Red Cross Roll Call, and Mrs. M. P. Knight, representing the Kentucky Children's Home Society. Every guest will be given an opportunity to get a handsome souvenir, which will go to the person holding a lucky number drawn from a hat.

This will also be the time for the annual election of Club officers. All votes must be cast between 8:00 a. m., and 8:00 p. m., at the office of the Club during the day, or at the Y. M. C. A. during the evening. The votes will be counted during the annual meeting and the results announced as the concluding feature of the program. Tickets for the dinner were distributed yesterday to members of the Club and invited guests.

NOTICE TO TAXPAYERS

To The Tax Payers of Bourbon County:

I would like for every tax payer of Bourbon county to meet me at the court house on Saturday afternoon, Nov. 26, at 2 p. m., to see if we cannot devise some plan by which we can get our taxes on real estate reduced. Have some important matters to present to you. Please be present, if possible.
(It) H. S. CAYWOOD.
